

Kidney Bean Life Cycle In a bag.

Supplies Needed.

Paper Towels
Zip Lock Bags
Kidney Beans

Marker
Water

Directions.

Soak Kidney Beans Over Night

Write your name on a Zip lock Bag

Wet a paper towel and ring it out

Fold the paper towel in half

Add two to three kidney beans to the center of the towel

fold the paper towel over the beans

Place the paper towel in the zip lock bag and seal shut

Tape the zip lock bag to a sunny window

Watch your kidney bean sprout

Can you put these stages in order?

Cut out and place in the correct Life Cycle Order.
